

Technical information

Product	Silicone coated paper
Type	One sided silicone coated 42 gsm.
Use	Excellent protective film for surfaces, especially for self-adhesive products.

Typical technical values

Substance	42 gsm	± 3
Thickness	44 µm	
Tensile strenght MD	2,5 kN	
Tear strenght MD	170 mN	
Colour	White	
Width	from 15 to 1020 mm
